2. ISU Sponsored Pair Skating Judges' Seminar 2011

There will be a Pair Judges Seminar in Berlin, Germany, April 29th to May 1st, 2011 (for details please see the separate ISU Communication on the subject which will be published shortly).

This Seminar is primarily for Judges and Referees interested in Pair Skating and of the qualification of at least "international Judge".

This Seminar will be counted as a regular Judges Seminar for the purpose of Rule 425, paragraphs 9.a) (ii), 9.b) (ii), 10.c) and 11.c).

3. ISU Recognized Single-Pair Seminars

Members are also reminded that the Single and Pair Skating Technical Committee may recognize national seminars organized by a Member as official seminars for the purpose of Rule 425, paragraphs 9.a) (ii), 9.b) (ii), 10.c) and 11.c). Moderators designated by the Single and Pair Skating Technical Committee must conduct these Seminars. If a Seminar is organized in conjunction with an International Competition, the participants at the Seminar cannot also serve as Referees, Judges or Coaches at the competition. The organizing Member must make the application for recognition.

Members wishing to nominate Referees and/or Judges (in Singles and Pairs) and Coaches to participate in an ISU Recognized Seminar, or the ISU Referees/Judges themselves, may make an application to the ISU Secretariat, with copies to the organizing Member and the Chair of the Single and Pair Skating Technical Committee, not later than six weeks prior to the scheduled date of the Seminar. The organizing Member must also send to the ISU Secretariat, with a copy to the Chair of the Single and Pair Skating Technical Committee, the names of those of its own Referees, Judges and Coaches who will attend the Seminar.

These Seminars are primarily for the Referees/Judges of the organizing Members. However Referees/Judges of other Members (not more than 2 per Member) can also attend subject to the availability of places.

Language

All Seminars will be conducted in English.

Expenses

The responsibility for the expenses of an ISU Recognized Seminar will be allocated as follows:

- a) The administrative expenses (use of ice surface, classroom and all supporting equipment/facilities) will be borne by the organizing Member.
- b) If the Moderator/s requires skaters to demonstrate, the travel and living expenses of one (1) pair to serve as demonstrators will be borne by the ISU unless the respective skaters are entered in the associated International Competition.

The ISU can contribute financially only to a limited number of ISU Sponsored and Recognized National Seminars each year. Members wishing to hold Recognized National Seminars, where the ISU is unable to contribute to the expenses, may therefore request to hold the aforementioned seminar by following the same application procedure. If recognition is granted, the total expenditure will then be borne by the organizing Member concerned. Moderators designated by the Single and Pair Skating Technical Committee must conduct these seminars.

Members who do not receive financial assistance from the ISU could apply to their respective NOC for possible funding through Olympic Solidarity.
